3. TRAINING FOR MOODLE ADMINISTRATORS

Build internal capacity to manage your own online learning platform confidently.

- Moodle administration
- Course setup
- User enrolment
- Certificates
- Forums & assessments

4. TRAINING ONLINE EDUCATORS

We train educators to design engaging and participatory online learning experiences.

- Online facilitation
- Participative methodologies & course design
- Digital tools for participation

OUR APPROACH

Participatory Learning

Learners engage actively through dialogue, reflection, storytelling and collaboration.

Accessible Design

We prioritize mobile-friendly and low-bandwidth learning approaches.

Empowerment-Focused

Our programmes support grassroots leadership and democratic participation.

Flexible Learning Models

Self-paced and blended online learning.

Global Solidarity

We connect educators and movements across borders to share knowledge.
